This office action is in response to the applicant's correspondence of 04/24/06. Claims 23-50 are still pending in the application.

***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on 2/27 and 4/24/06 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

***Specification***

The disclosure is objected to because of the following informalities: On page 2, at the beginning of line 29, "are not" is repeated twice.

Appropriate correction is required.

The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors. Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

The reply filed on 4/24/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Examiner is unable to figure out the set of claims to be examined in this application. Applicants must select the listing of claims from all prior listing of claims that must be examined by examiner. Claims 23-50 of the instant application filed on 12/17/04 look similar to claims 23-54 of pending application with US

serial number 10/753,702. According to the PTO record, another set claims 23-42 were filed on 01/12/04. Please advise.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
